

Mr. & Mrs. Arthur Wiener RESIDENCE - Remsenburg, New York

HE²PD, Inc. was retained as Program Manager for the new construction of a 6,200 square foot, oceanfront residence located in Remsenburg, New York. The home, with its own private beach, boasts over 880 linear feet of glass railing bordering the balconies to maximize the breathtaking ocean views. In addition, the master bedroom suite leads out to a deck with a spiral staircase up to a third level with a hot tub and viewing area.

The home was built on stilts and wrapped with breakaway walls.

Other beautifications to the home include Brazilian redwood flooring and a full Gallery space for the display of world class art.
